

TOTAL Connection **MAKES LIFE EASIER**

Life can easily get out of hand for working mothers, but since Navashnee started using the **Total Connection services**, her life is a breeze. Let's have a peek at a day in Navashnee's life.

While packing the family lunches, she visits **WELLNESS** for tips on what she should pack.

On the way to work, her tyre bursts; she phones **ROAD EMERGENCIES**, and after a short wait her tyre is fixed.

Her daughter phones – she forgot that she needs cupcakes for school; Navashnee asks **INFO** to source them.

During her tea break, she visits **SHOP** to buy a gift for her sister – she gets a great discount.

Navashnee calls **INSURE** for new insurance quotes; 30 minutes later they have a choice of suitable quotes for her.

Her neighbour tells her that her son broke his window while playing soccer. She contacts **HOME EMERGENCIES**, and they're on it.

Both her children are speaking to **Tutor on Call/Dial A Teacher**, while doing their homework. It's a service that offers qualified assistance in all subjects for grades 1 to 12.

Navashnee and her husband use **VACATION** and **TRAVEL** to plan their summer holiday.
